# **A Prayer for Humanity**

***Dear Brother's and Sister's,***

This year was dedicated by Pope Francis a year of mercy which ends on the Feast of Christ the King. It is a year I dedicated in prayer to Christ Jesus our Lord and so I call upon all humanity to reflect on what being merciful really means and how it can affect the whole of humanity for the common good.

Today we see a divided and an uncompassionate church that knows very little about God's mercy or love, family or marriage and while Pope Francis was correct in calling for this year to be a year of mercy for the church and world, the Pope has wasted three years producing a 268 page report that basically means no change.

For this year of mercy to be successful that ends on the Feast of Christ the King, followed by the season of advent, Christendom must first know its guilt, so that it can repent and die once more on the cross, to be reborn and renewed through the Holy Spirit, the Lord the giver of Life.

The problems humanity faces in these dark times before the revelation of God's love and mercy, is fear and prejudice, two evils I bind in prayer and I humbly ask you do the same, for these evils in the church are destroying Christendom and pushing people out of the church and turning people's hearts away from God.

Jesus said;

*"Blessed are the merciful, for they shall obtain mercy."*

Have we been merciful to Christ today?

In the Garden of Gethsemane on the night of His betrayal, Jesus prayed that we would all be one in Him, just as He and the Father were one, so that we would grow in love and be one with Him and Father. How many Christians care that Christ Jesus Our Lord sweated blood that night while praying for us all to be one?

Proud hearts and stubborn wills continue to divide Christendom and refuse to be merciful to Christ or obey His commandments not to judge or condemn, less we find ourselves judged and condemned also, but to love one another like He has loved us, with unconditional love and mercy.

Be merciful to Christ today!

Christendom must choose to unite in the Holy Body and Blood of Christ Jesus Our Lord and become one in love with Christ and God our Father, for we have all failed Christ, for while Pope Francis may have failed, the Vatican failed Pope Francis with 1.3 billion Catholics and the rest of Christendom are divided and are no better.

Be merciful to Christ today!

When we read the Acts of the Apostles and the letters of John the beloved disciple of Jesus we can see a clear picture of how the church started to fall apart with some saying I am for this man and others we are for this man and then we see John in tears in his letters for rivalry and loose tongues was evident then, although not on the scale we see today.

Be merciful to Christ today!

Instead of turning the world to Christ, even with scripture now freely available to all, Christendom has become more like the Scribes and Pharisees of Jesus day, for they repeatedly tried to catch Jesus out with scripture, and the fundamentalists of today do the same, for while fundamentalists preach the old laws, they ignore Christ teachings of love for humanity and the unconditional love of God for all.

Be merciful to Christ today!

Many Christians are not proclaiming love and forgiveness, compassion and mercy in our world today, they are arguing amongst themselves and our failing to show compassion for humanity, is our betrayal of Christ Jesus Our Lord, for we are not answering Christ's prayer for us to be one in His love.

Be merciful to Christ today!

Our generation is seeing hearts of the people grow cold and turned into stone with pride and prejudice, for while singing to God in praise, some curse mankind and so it is just like Jesus taught us would happen when Christ said;

## loveandtruth.co.uk - media release

*“Even when mankind stops praising God, the stones will still sing God’s praise.”*

If we sing God’s praise with our heads and close our hearts to all of humanity then we have no heart of flesh and become like salt that has lost all its goodness, only fit to be thrown to the ground and trampled on like Jesus warned. But God our Father promised;

*“I will turn your hearts of stone into hearts of flesh for love alone.”*

Be merciful and harden not your hearts and let God’s love and mercy flow through your veins and pump life back into your beating hearts to receive Gods wisdom and truth today, for I pray that now you know your guilt, and that collectively we are all guilty, I pray for your eyes to be opened to see and your ears opened to listen, to God in prayer.

Be merciful today and feel God’s pain, for this is a “Sword of Truth” that is sharp and while some it may piece their heart to set them free, for others it will be like a dagger to their heart too painful to bear, so be merciful and show compassion and love, for each other God’s Glorious Heart bleeds for all to be set free this day.

Be merciful to God today, for this is a day of conversion so that we may become aware of our guilt and reach a true conversion for our souls for the world will not end tonight when the sun goes down, or is it likely the moon will turn to blood, for tomorrow there we cannot hide our sorrow, for the world does not end, it is only transformed and transfigured by God who is not finished with mankind yet.

Be merciful today, for God promised that He would choose the despised and rejected of mankind to humble the proud hearted, and exalt the hearts of the humble, for we are all humbled for a season in order to receive a new name from God.

Be merciful to the members and families of (LGBT) Gay Community and give them a big thank you for carrying God’s Rainbow Pride Flag with Pride in the face of all hostility in this world, even unto death for some, for God did not choose them to humiliate the proud hearted; God chose them because God loves them and becomes one with them in their pain and sorrow.

The Rainbow Pride Flag is a sign of liberty and freedom, it is a sign of New Covenant with the whole of humanity, inclusive of all, which God made with Noah and fulfilled through Christ Jesus Our Lord on the Cross. It is a sign of the Living Word of Christ Jesus our Lord, taught in the Gospels, inclusive of all and a reminder to all humanity of God’s Mercy and Love which humanity needs today more than ever.

Be merciful to the (LGBT) Gay Community today and we will be merciful to God who feels their pain whether it be the pain of rejection or guilt, for Jesus taught us to love our enemies and pray for those who persecute you, which may seem impossible to many, but not to God who understands us all.

## loveandtruth.co.uk - media release

All religious leaders and ancient scripture writers going back way before Peter and Paul, unto the church of today will answer to God for our failings and betrayal of Christ, for when humanity needed Christ's love the most, some Christians are in court fighting against same-sex marriage and while refusing to unite in the Holy Body and Blood of Christ, they make pacts with other Christian groups in a joint campaign of hate against same-sex marriage, and equal rights for the Gay Community.

Be merciful today to our ancestors who suffer because they cannot take their words they wrote back, which were hurtful and wrong, because the religious of today would rather quote chapter and verse to judge and condemn humanity, than listen to God's Holy Spirit speaking to their hearts the words of God's love, mercy, liberty and freedom for all.

Be merciful and overcome homophobia, sexism, racism and religious hatred in your hearts and mind, for the past is not perfect, but humanity has a glorious future within its grasp if we can let the power of God's love transform our hearts and minds to make our hearts of flesh filled with love, for love alone so that we can embrace all of God's creation and humanity.

Be merciful to those who have died not knowing the mercy of God and have suffered the evil curse of damnation, purgatory and hell, for they wonder this earth seeking redemption and forgiveness, for in spirit I have seen their suffering and salvation for they have heard God's mercy and seen God's love in action when awakened from their nightmare, so they can sleep in the peace of Christ to receive God's graces, for I saw in spirit damnation being destroyed and with it purgatory and hell will follow.

Jesus said;

*"Love your enemies, and pray for those who persecute you".*

Be merciful to the enemy of God, who in this life I have read their confession and guilt, for they admitted to being afraid of humanity and scared claiming responsibility for causing the flood in Noah's day. But are we not scared of ourselves? I saw what I believe to be their world destroyed, for by their own words, their world had no future and our world was the future.

Jesus calls us to love our enemies and so we should love for them, but their tree of knowledge brought viruses and bacteria to this world in the past, so remember the story of Adam and Eve in Scripture and be warned, for only God can help them and only God can help us, so let us pray for a new heaven and earth for only God can make all things new for us all.

Earlier this year I shared the joy of scientists and astrologers who discovered two black holes coming together a billion light years in our past creating gravitational waves, which for me it was confirmation of my theory of God's creation and so I prayed.

## loveandtruth.co.uk - media release

In prayer I could see God playing a harp, pulling together two strings and making a musical note in eternity. I realised how with God's love and mercy those gravitational waves could be the building blocks for the new universe enveloping planets and even heal ozone layers. I then heard the words of God;

*"See; I Am making all things, New."*

I had prayed for years to hear those words spoken by God, for they are both scriptural and a promise. The evidence provided by scientists and astrologers would put God at least a billion light years ahead of everyone else and I can testify that God is building His Kingdom on earth, for I put my hand on a wall that disappeared to see another new holy wall in its place, a beautiful spiritual wall that was hidden.

The universe is like a globe that appears to be endless, but depending where you are within the universe, the position of the stars will differ and the map is like a jigsaw puzzle with each star, planet, moon, and solar systems each made up with several pieces of the puzzle.

What we see in the heavens is the old universe passing away, and hidden from humanity is a new heaven and a new earth, bigger than the old and so pray upon a star with faith, hope and love in your heart for a new heaven and earth, for Christ Peace to Come, for after judgment comes a new beginning.

I received the gift of telepathic prayer at Christmas 1993 when I was attacked by demons in the night. My guardian angel woke me up to warn me, before demons came through the wall and pinned me to my bed and in terror unable to move or speak, I focused my mind on the demons and said; "In the name of Jesus go." At once they flew back through the wall. It was a victory in Jesus name.

By January 1995 after fighting many spiritual battles, I had my first mental health crisis and was diagnosed with schizophrenia because I was hearing what I called telepathic voices. Over the years I have grown stronger after each mental health crisis and go from one victory to another in Jesus name.

My prayer is to unite in the peace of Christ and conquer through prayer the tyranny of fear, but in an earthly body it has caused me mental health problems in which the professionals are unable to understand and so I say with all confidence to those with mental health problems; know you are special to God who loves us, for God works within us to heal our pain and even if our life seems to be like a tapestry gone wrong, our beauty is in God's Glorious Heart; yet to be revealed.

That is why I speak the truth that others cannot and pray for those you know not and have seen what I perceived to be impossible, made possible through God's love and Christ's Victory on the Cross; for with Him and in Him even unto death we shall live, for now I know all things are possible through the power of God's love, for there is a Greater Glory yet to come.

Jesus promised;

*“If the truth sets you free, you will be free indeed.”*

Be merciful to our shepherds and politicians and pray that they may work for peace, for too many loose tongues can have devastating consequences for humanity and our world. Let us pray they may put aside religious and political loyalty aside and serve all humanity which is diverse and beautiful to God.

Be merciful to those who are free to vote and are not in a position where they are intimidated so they can choose wisely their political leaders, for politicians with loose tongues who cannot be diplomatic in this fragile world or serve all their citizens, both foreign and domestic, will divide our communities and set discord among their people and people of other nations of our world.

Be merciful to foreigners, migrants and refugees fleeing from domestic problems and wars, for politicians who incite hatred towards them to cover up their own failures in under investment in people and communities have no vision and are not being honest, for they stir up people's emotions for political gain.

Be merciful to our world, for our politicians need diplomacy skills to combat war, famine, pestilence and disease for these evils that divide humanity and turn nation against nation are making people and leaders paranoid about their safety and security, and we need to build trust among all the people of our world.

Be merciful to humanity for the whole of humanity is our flesh and blood and we need to end conflicts and stop the bloodshed that is ruining the lives of our citizens, cities and nations and generating fear, discord, famine and disease, so let us pray that these conflict ends.

Be merciful to our shepherds and religious leaders of many faiths so that they may become true shepherds of God and serve all God's people with unconditional love, helping all families and communities to embark on the path of forgiveness and reconciliation to enable all families and communities to be rebuilt with respect for all cultures and peoples.

Be merciful today and learn the Prayer of Saint Francis, who founded the Franciscan Order, for this prayer is about seeking to love with all our heart and understand others; about correcting error and sowing the seed of truth; for healing the broken hearted and becoming peacemakers, compassionate and merciful to all.

This prayer will lead you into understanding other people more and help you respect the roots of other people's faith and culture, for Christ is for all, and we much to learn from each other, and if humanity is to leave its barbaric past behind it, we need to grow together in understanding, for a holy war is fought by prayer, not bloodshed.

## Saint Francis Prayer

*Lord, make me an instrument of your peace;*

*Where there is hatred let me sow love,  
Where there is injury – pardon,  
Where there is discord – unity  
Where there is doubt – faith  
Where there is error – truth  
Where there is despair – hope,  
Where there is sadness – joy,  
Where there is darkness – light*

*O Divine Master, grant that I may not seek;  
To be consoled as to console,  
To be understood as to understand,  
To be loved as to love with all my heart,*

*For it is giving that we receive,  
It is in pardoning that we are pardoned,  
It is dying that we are born to eternal life. Amen!*

Be merciful to Our Heavenly Mother today and reflect on this prayer and follow Mary for while the Church cannot authenticate Medjugorje, I can, for Medjugorje is for people of all faiths and none who are seeking hope, so please cherish this time of truth and open your hearts to God, for Medjugorje like Assisi is a touch of heaven in this world of darkness.

## **Mary's Medjugorje Message to Visionary Mirjana 2<sup>nd</sup> April 2016**

*"Dear children, do not have hearts that are hard, closed and filled with fear. Permit my motherly love to illuminate them and fill them with love and hope; so that, as a mother, I may soothe your pains because I know them, I experienced them. Pain elevates and is the greatest prayer.*

*My Son, in a special way, loves those who suffer pains. He sent me to soothe them for you and bring hope. Trust in Him. I know that it is difficult for you because you see more and more darkness around you. My children, it is necessary to break it by prayer and love. The one who prays and loves is not afraid, he has hope and a merciful love; he sees the light and sees my Son.*

*As my apostles, I call you to keep trying to be an example of merciful love and hope. Always pray anew for all the more love because merciful love brings light, which breaks all darkness and brings my Son. Do not be afraid, you are not alone, I am with you. I implore you to pray for your shepherds that at every moment they may have love; that they may work for my Son with love; through Him and in memory of Him. Thank you."*

Become a Peacemaker and Follower of Medjugorje today! [www.medjugorje.org](http://www.medjugorje.org)

Be merciful today to Mary the Mother of Christ and follow Her messages given to the young visionaries of Medjugorje, for Mary is The Queen of Peace, who calls and asks us not to harden our hearts but seek a true conversion of the heart, that we may receive God's mercy and love.

I ask you to pray with Mary for another Pentecost so the Holy Spirit may enlighten us into all truth, the truth that will set you free, so just like the beloved disciple John who took the Mother of Jesus into his home when Christ was Crucified, so we can take Mary into our hearts also. I leave you with these words of Christ on the Cross; that He spoke to John His Beloved Disciple and Mary His Mother;

*“John, behold your Mother;*

*Mother, behold your son”.*

***Yours in Christ***
